

Kids Draw Architecture

2026 Sketch Session

Sunday, April 19, 2026 at Riviera Park
2020 Alameda Padre Serra, Santa Barbara 1-3pm

The sketch session is free and drawing materials are provided. Local architects and artists will be present to sketch alongside the children and to offer encouragement and guidance. Kids Draw Architecture is a program developed by the Architectural Foundation of Santa Barbara to educate and increase community awareness about Santa Barbara's built environment through sketching of important architectural landmarks. The Kids Draw Architecture Calendar and year end exhibition and reception at the Acheson Gallery will feature the work from this year.
