

2027 KIDS DRAW ARCHITECTURE CALENDAR SPONSORSHIP

Your contribution supports the free AFSB educational programs for children and adults about the importance of design excellence in our built environment.

Every year, Kids Draw Architecture (KDA) brings children, families, architects, designers, and artists together to sketch Santa Barbara beautiful buildings and gardens. This activity helps educate about Santa Barbara's unique built environment and the skill of drawing. This year's sketch session was at the Riveria Campus.

As always – the calendar includes the delightful drawings created in the year and will be available in the fall for purchase at AFSB and local stores.

Please support KDA by sponsoring the 2027 Calendar at one of the following levels with benefits as noted.
