Kids Draw Architecture

Every year, Kids Draw Architecture (KDA) brings children and architects together to sketch important Santa Barbara buildings. This activity helps kids learn about architecture and the skill of drawing while working alongside volunteer professional mentors. This unique year of the Covid 19 Pandemic, KDA created a special Sketch From Home opportunity to keep kids drawing and working on the skill. The delightful drawings in the 2021 show new images of the built environment with creativity and joy. The calendars will be available this fall – given to City and County Elected Officials and sold at AFSB and local stores.
